New Updated Logo

As you can see, we now have our new updated school logo and we hope that you like it. It will be introduced on school stationery initially and then on school signage. It will also be used on our school uniform but this will be phased in over time, taking family budgets into account.

Our New Mission Statement

Our updated mission statement '*We will prepare the way by loving, living and learning with the Lord*' retains the traditional focus of St John the Baptist preparing the way for Jesus but has been extended to strengthen our mission as a Catholic school: to ask Jesus to guide us in the way that we live every aspect of our lives.

Parent Council

We have many exciting projects planned to enhance our school. The regeneration of our building, a new school website and a redeveloped quad area are just a few examples. We really value your views as parents and carers and so would like to establish a Parent Council. A Parent Council is a group whose purpose is to focus on future school development. We would meet once each term to discuss new ideas and developments. This is an opportunity to share your views and influence change. Our new school website is a good example. As a parent or carer, what would you find useful? How can we improve communication? What would your children like to see?

If you are interested in becoming a member of our Parent Council please contact Mr Gallagher or Mrs Dixon and we can give you more information. It would be great if we could have a representative from every year group.

A New Year Reflection

The great thing about walking with God in life is that there is always the opportunity to start anew – God always offers us a new day and a new dawn, no matter what has gone before. At the start of the New Year, why not take the chance to thank Him for last year, ask His forgiveness for where you have failed and commit this year to Him – to serve Him and love Him afresh.
