### Well-Being Week

We have had a really successful week. The children have participated in yoga sessions; circuit training; Christian meditation; worked with a nutritionist and have made healthy food. We also trialled the concept of becoming a 'Mile a Day School,' the children really enjoyed this opportunity and so we'll keep you informed about this idea in the future.

### Attendance

We are really pleased with our attendance figures for this half term. Thank you to so many of our families who are working with us to achieve our target of at least 97% attendance for the end of the year. This half term's whole school attendance is 97.4% so we are on track to achieve so far!

### 100% Attendees
