

Dear parents, carers & guardians of Primary aged children,

The online world can be a bit overwhelming at times but it is important we understand what our children are doing online so we can help make them safer. The Safer Schools App aims to help with this.

We are delighted to invite you to download our new Safer Schools App provided by our school insurance provider Zurich Municipal.

About the App

The App is designed to support and protect children by educating and empowering them both at school and at home. Through their log-in, your children get access to information that is relevant to them and you will receive tips and advice on how to keep them safer online.

Excited? Ready to make your children safer? Download the Safer Schools App now!
