RE Inspection

We have now received our RE inspection report and we're really pleased with the extremely positive comments that were made. You will receive a copy with today's letter so you can read it at your own leisure over the weekend. My thanks go to our brilliant staff team and to our wonderful children who all really shone during the inspection.

Enterprise Trip to Grand Central

As part of our enterprise education, a group of Year 5 children were lucky enough to visit Grand Central and look behind the scenes to see how the many businesses that trade there work. The trip concluded with the children having the opportunity to pitch their ideal retail space to the general manager of Grand Central. As ever, our children's behaviour was exemplary and I received this feedback from the organisers:

'The children from St John's today were focussed throughout and appreciated the behind the scenes insight they had to the business and the opportunity to work alongside the management team, including the General Manager Jonathan Cheetham. He, like his Operations Manager and Marketing Managers were impressed with the way they linked their learning in school and their knowledge of our enterprise skills to today's challenge. Well done to them all!'

Year Six Fundraising

To increase their economic awareness, Year 6 will be selling ice pops, for 20p each, during break times all next week to raise money towards their trip to Drayton Manor.

Sainsbury's Vouchers

If anyone is collecting, or knows someone who is collecting Sainsbury's sports vouchers; could we ask that you send them in to school as soon as possible please? Thank you
