

# MUSIC SUMMARY REPORT 2021-22

## Charranga

Charranga lessons have formed the basis of music education from EYFS to Y4 with weekly lessons involving the children listening, appraising, responding, performing and creating music. A spreadsheet is used to record progress against standards. Children continue to use instruments and singing skills on a regular basis.

## Solihull Xmas

As an Act of Service, Year performed a range of popular Christmas carols to entertain the care home residents in Solihull in December. It was an excellent performance with various solo performers. They have been invited to return next Christmas.

## Learning Week (Taking a risk)

Part of Learning Week including Taking Risk (from the Children's Charter) For some, this included singing to an audience or playing a piano piece. Y5 and Year 6

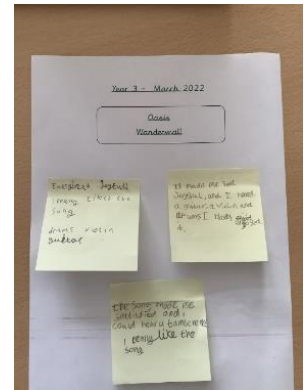

a

performed a series of pieces to each other using guitars and ukuleles.

## Cultural Capital

This year we have chosen a new piece of music each month to listen to and enjoy. They have been shared in class, in assemblies and collective gatherings. The children have been encouraged to consider musical (rhythm, timbre etc.) historical (composers, and cultural elements of the pieces and to share their responses and questions. Pieces chosen have covered classical, baroque, traditional and pop music.

## Y5 Y6 Music Service Support

Solihull Music Service have provided lessons for Y5 and Y6 every week. These have included steel drums, guitars and ukuleles. Skills included performing, reading standard notation, listening and responding, composition, improvising and musical games.
