Stewardship of God's Creation (links to World Wildlife Day 03.03)

The earth and all life on it is God's creation. We are called to take care of it because it is a holy gift from God and the only place we can live. When we make bad or thoughtless use of the world's resources, many people suffer. When we make good choices about how we treat other living things (people, animals, plants) we help all living things to live as God intends. Making wise choices about the care of God's creation is called good stewardship.

Focus Hymns – 'All Things Bright and Beautiful' and 'From the Highest of Heights'

Happy Easter

Yesterday was a busy day in school, firstly Early Years and KS1 children took part in an Easter bonnet parade in school, they all looked fantastic! Thank you to the children for taking part and parents/carers for your time and creativity!

Then each class was led through the Stations of the Cross. The children listened and reflected their thoughts with reverence and took time to think about how Jesus was treated and how he must have felt, knowing he was about to accept the will of his Father.

Well, we've come to the end of another term, everyone has been working extremely hard and so the holidays are very welcome!

On behalf of the staff at St John's may we wish you a very happy and holy Easter. I hope the weather improves and you spend happy, family times together over the next two weeks.
