

History 2022-2023

This year we have continued to implement the Primary Knowledge Curriculum in History. This knowledge rich curriculum is providing our pupils with the opportunity to really embed what they have been learning. This is done through the well-sequenced scheme of learning designed to build on the children's prior knowledge as well as through carefully planned retrieval tasks at the start of lessons and for homework. Our pupil's inquisitiveness and eagerness to question our past, understand how we know about it and to recognise the impact of actions throughout history really demonstrates the positive effect our exciting topics are having on them.

Impact

Assessment takes place continuously during each History topic through various retrieval tasks and activities. The impact since the implementation of the Primary Knowledge Curriculum continues to be very positive. This is reflected in the feedback children have given.

Pupil Learning and Feedback

Since the introduction of the Primary Knowledge Curriculum pupils have been very positive in their responses when asked about their learning in History. Here's what they have to say:

"I liked learning about Rosa Parks, Gandhi and Martin Luther King. I can't believe they were treated so badly. They have inspired me to stand up for people's rights."

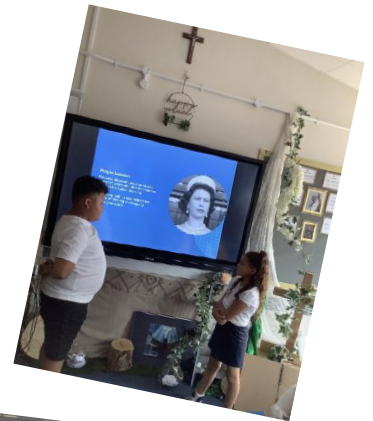

Mia Year 2

"I like history because I like writing about the past, especially Ancient Rome. It also made me very happy to learn about Ancient Greece. It is so interesting to learn about things in our country today that are from these times."

Freddie Year 4

Significant Events

This was the year we said goodbye and God bless to Britain's longest reigning monarch. It was a sombre start to the year. However, we were then witness to an incredible historical event... the coronation of King Charles III. And what an event it was!

What an inspiring lady @EAnionwu to all our children. 🙏💙 #Coronation

NHS England @NHSEngland · 06/05/2023

Professor Dame Elizabeth Anionwu was the first sickle cell nurse specialist in the UK and devoted her career to working with black and minority ethnic communities.

Today she carried the gold Sovereign Orb in the Coronation Ceremony at Westminster Abbey. 💙

What a fantastic piece of creative homework! Well done Issac. Year 4 have been researching Elizabeth Anionwu from Birmingham. What an inspirational lady! @EAnionwu #SJBWeAreScientists @OurLadyandALLS1 @BCPP_ @BhamDES

Our KS2 children reflected on #remembranceday2022 after their assembly. They wrote prayers to honour the soldiers and talked about how lucky we are to have had such brave soldiers protecting our country. #RemembranceDay #NeverForgotten @OurLadyandALLS1 @BCPP_ 🙏❤️

Y1 listened to part of Martin Luther King's 'I have a dream' speech during #collectiveworship. They thought about their own dream speeches. "I dream no matter who it is I will help people" "I dream whatever skin colour people have I will help them" @OurLadyandALLS1 @BCPP_
