

## St. John the Baptist Catholic Primary School

*We will prepare the way by loving, living and learning with the Lord*

### Curriculum Enrichment and Opportunities to Develop Cultural Capital 2022-23 & 2023-24

At St John the Baptist School it is our aim that each child is taught an ambitious, broad and balanced curriculum. Our vision is to empower every individual to write their own success story. We recognise and celebrate uniqueness, provide exemplary opportunities and ensure a growth mind-set and belief in everyone. We promote the personal and character development of all children through a wide and rich set of experiences. At St John's we have a rich and diverse Catholic Life programme; we believe our faith permeates all we do for our children. Prayer, Catholic Social Teaching, Sacramental preparation, class Saints, Godly Play, Collective Worship and SMSVC are all elements of Catholic Life. We all work together to focus on the values that come from the Gospel and teachings of Jesus. We focus on two values each half term and spend time reflecting on the meaning of the words and how we can work to demonstrate these values in our lives. Each week children from all classes are nominated to receive a Values Award to share how they have lived one of the values and children can share nominations on displays outside classrooms for all to see. Teaching about British Values is woven through our curriculum and also taught explicitly in assemblies and PSHE lessons. We have a democratically selected School Council who represent their peers in sharing their views and ideas.
