Parent/ Carer Information Meetings

As another way of strengthening communication with parents and carers, we have arranged a 'Parent/ Carer Information Meeting' for each year group throughout next week. This will be a valuable opportunity for you to meet your child's class teacher, if you haven't done so already, and for us to share our expectations in terms of routines, behaviour, attendance, reading and homework. Each meeting will take place in your child's classroom and will begin at 3.00pm. The meetings are not expected to last longer than 15 minutes and there will be a chance for you to ask your own questions at the end if you wish. You will also have the opportunity to sign up early for Parents' Evening appointment times before you leave. We hope that you will find these meetings useful and we expect that a representative of each child's family will be able to attend. Please see the separate letter for times and further information.

Contact Information and Passwords

If you have any changes to your contact details; particularly new mobile phone numbers, can you please ensure that you inform our school office as soon as possible please.

We have also sent out a letter requesting a password that can be used if a person unfamiliar to school is collecting your child. Please also send your password back to your child's class teacher as soon as possible. Thank you for support.

Parent Council Meeting

Our next Parent Council meeting will take place in the meeting room in school at 2.45pm on Thursday 22nd September. New faces are always welcome and there are always biscuits!
